By: Senators Mullis of the 53rd, Murphy of the 27th, Douglas of the 17th, Stoner of the 6th, Pearson of the 51st and others

ADOPTED SENATE

A RESOLUTION

1 Creating the Joint Georgia State Fire Services Study Committee; and for other purposes.

2 WHEREAS, several state agencies, councils, and departments play a key role in this state's
3 fire safety system, and together, they help protect the citizens of the State of Georgia from
4 dangerous fire hazards; and

5 WHEREAS, such fire service entities provide an essential government function for the safety
6 and welfare of Georgia residents by administering and regulating safety codes and standards,
7 implementing training programs, as well as providing important emergency rescue services;
8 and

9 WHEREAS, the current system for administering such fire services spreads these functions
10 over a variety of state agencies and departments which may limit communication between
11 the entities, duplicate administrative services, and may not be the best utilization of this
12 state's valuable and limited fire safety resources; and

13 WHEREAS, combining state fire services may help to eliminate confusion, create
14 consistencies, and avoid delays in the administration of services, preserve state resources and
15 funds, and better provide training and education for fire officials and the public.

24 BE IT FURTHER RESOLVED that the committee shall undertake a study of the conditions,
25 needs, issues, and problems mentioned above or related thereto and recommend any actions
26 or legislation which the committee deems necessary or appropriate. The committee may
